In light of recent events, we want to remind everyone that you must have a photo ID prior to entering the building – **no exceptions**. Please have your ID ready to show to the camera after ringing the doorbell at the front entrance of the building. You will need to keep your ID available for scanning into our Hallpass visitor system after reporting to the front office.

Thank you for your cooperation as we continually review our building procedures to ensure the safety of our students, parents, and staff.

Our School Needs You!

We have some open PTO chair positions available for next year. Please consider volunteering for one of them. Parent volunteers help make Jim Stone Elementary an awesome place!

If you are interested in chairing one of these committees next year, please email Natalie Schuetzle at nschuetzle@yahoo.com.

TOAD SUCK DAZE

Together with other schools in the district and the Museum of Discovery, we are hosting a "Tinkerfest" tent at Toad Suck Daze to encourage students in science, math, engineering, and technology. Our booth is being sponsored by Ace Hardware and our Tinkertable will feature building tools and supplies for students to try and explore. In order for our Tinkertable to be a hit, we need teachers and parents to help supervise and for our students to be there to encourage other young people to try our booth and to show them how things work. It should be a fun and exciting experience for everyone! Please take a one hour slot or as many as you like.

Parents should sign up at the same time as the students to help supervise so we won't have any unattended students. We need lots of people, so please sign up for a time you would like to come even if others are signed up as well. We need everyone!
