TOAD SUCK DAZE

Together with other schools in the district and the Museum of Discovery, we are hosting a "Tinkerfest" tent at Toad Suck Daze to encourage students in science, math, engineering, and technology. Our booth is being sponsored by Ace Hardware and our Tinkertable will feature building tools and supplies for students to try and explore. In order for our Tinkertable to be a hit, we need teachers and parents to help supervise and for our students to be there to encourage other young people to try our booth and to show them how things work. It should be a fun and exciting experience for everyone! Please take a one hour slot or as many as you like. Parents should sign up at the same time as the students to help supervise so we won't have any unattended students. We need lots of people, so please sign up for a time you would like to come even if others are signed up as well. We need everyone!

March 7, 2018

Dear Parents,

Jim Stone Elementary is in the process of applying for Title I services for the 2018-2019 School Year. This opportunity could provide our students with additional intervention services in the form of a Literacy and Mathematics Interventionist. As a staff and PTO, we feel this will benefit our overall academic success. The Arkansas Department of Education (ADE) will review the information submitted in our application and determine our eligibility for Title I services. I will notify you of the ADE's determination of eligibility.

If you have any questions, please don't hesitate to contact me at lewism@conwayschools.net.

Best wishes,

Mark Lewis
