Happy New Year to everyone! We have one week in the books for the 2017-2018 School Year. I cannot remember a smoother start to a school year, even with the weather, the learning curve on arrival and dismissal, and new construction. Thank you so much for your help and patience!

Initial dirt work has begun on our Storm Shelter/Gym. If Mother Nature will cooperate, then we should see a quick move to foundation work. This is a major project, and will likely take the majority of the school year. I am having ongoing conversations with Nabholz, and will keep you up to date as the project moves forward. This safe room will open to the public if the tornado sirens sounds at any time.

Our theme for the year is "One Team. One Dream." We are excited to have all of our students, parents and staff on our team!

Have a great weekend!  
Mark Lewis
