Mr. Lewis' Weekly Round-Up....

Happy Friday to everyone! We have a track and a field!!! It is official. Thank you so very much for your patience throughout this project. We have begun our 3rd and 4th Grade Running Club and will begin our morning program soon. We will have to stay off of the sod for a few weeks but it is absolutely beautiful. Once the fundraiser is complete, we are hoping to be able to purchase a sound system that we can use for many outdoor programs and activities.

Thank you to everyone who assisted with our Green Apple Day of Service. Mrs. Breashears did an amazing job of coordinating this with our partners: Lowe's, the U.S. Green Buildings Council, the Conway Advocates for Bicycling, and the JSE PTO. Everything looks amazing and I hope you'll have a chance to check things out soon!

Thank you so much for participating in our World's Finest fundraiser. We have a little more time left and quite a few boxes to sell. Let us know if you need anymore candy bars!

Have a great weekend!

Mark Lewis

Responsibility means doing your part when working together.

Volunteers Needed!

Our track is now complete so we would like to start a morning walk/ jog program to help get the wiggles out! You can choose to volunteer for a day or two per week or daily. The program will be Monday through Thursday from 7:30- 8:00, weather permitting.

Responsibilities include: signing in at the office, picking up students from the cafeteria, taking them to the track & monitoring them as they move around the track.

The program is for 1st through 4th grade. K can participate if they have a parent volunteer. If this sounds like something you would like to do please contact Laurel Breashears at breashearsl@conwayschools.net. We would like to start October 12.
