Mr. Lewis' Weekly Round-Up....

I am very excited to announce Jim Stone's new innovative, 21st Century enrichment and intervention program known as Teachers Reaching out Together (TROT). Each from 2:40 to 3:10, Monday through Thursday, our entire staff teams up to provide various large group enrichment opportunities while classroom and other specialty teachers provide specific interventions for students in need of a little help in an area. Your teachers can explain it a little further at Parent/Teacher Conferences in October.

Thanks to the help of some of our parents, we have begun Rise and Shine in the mornings. Rise and Shine is a walk/run time (7:30 to 8:00) for students in 2nd through 4th Grade that provides an opportunity for students to go to the track and get some steps in. Students can join as long as they get here by 7:45. If you are interested in volunteering, please let me know. Also, if you are a parent of a kindergartener or first grader, you can take your student out with you as long as you are here to help. Please make sure proper shoes are worn to prevent injury.

Parent/Teacher Conferences are right around the corner. Your teacher will be in touch soon to talk about signing up for a time between 4:00 and 7:00 on October 19th and 20th.

Have a great weekend!

Mark Lewis
