Mr. Lewis' Weekly Round-Up....

I hope this week's addition of the Stallion Stampede finds everyone well. As many of you know, Jim Stone was rocked by a horrible tragedy this last weekend. We lost a third grade student, Bella Broadway, to an automobile accident. As a school, we have come together to support her family, our students, as well as each other. On Monday, all of the Elementary School Counselors and CPSD School Psychology Specialists were here to assist us in sharing the news with Bella's class and the other third grade classes. They have remained available to assist Mrs. Haynes in providing counseling for students this week, and will continue to do so during the coming days, weeks, and months. There are no words to comfort anyone in this situation, however, there is assurance that we can get through this one day at a time because of the support system that is in place as a district. Many have asked how to help.

Our PTO has set up a fund at Centennial Bank, "Memorial Fund for the Family of Isabella Broadway" for those who would like to contribute. Please continue to hold Bella's family and friends in your thoughts and prayers. We will miss you Bella!

Thank you so much for all you do to support Jim Stone Elementary!

Help Jim Stone give the gift of warmth this holiday season!

Is your child's coat from last year too small? There are students who NEED it! Now through November 15th send in any new or used coats with your child to school and have them drop them in the donation box under the atrium.

*Coats will be donated to students in need at our school and any left overs will be donated to another Conway elementary school.

THANK YOU FOR YOUR SUPPORT!

BREAKFAST

LUNCH

Jim Stone recently hosted a nationally recognized Day of Service. We partnered with USGBC, Goodwill, Lowes & CAB to promote environmentally friendly actions. We hosted an eWaste collection to reduce landfill waste. We collected 14,300 lbs of electronics & other household items. Lowes donated several trees that will provide cleaner air. They also donated mulch to help our playground be safer & to freshen up our flower beds. Lastly, Conway Advocates for Bicycles set up a bike rodeo to promote emissions free travel.

Thank you to those of you that volunteered & those that donated items to the eWaste collection.

We plan to do this again next year so start saving items & spread the word!

DEAR PARENT

This year our class is using (and loving!) **GoNoodle** — a fun and free website that helps get the wiggles out.

GoNoodle.com has hundreds of movement games and videos that get kids dancing, running, jumping, stretching, deep breathing, and more. After the kids take a quick activity break with GoNoodle, they're able to really focus on learning.

If you're looking for ways to channel your child's energy, try **GoNoodle at home!**

You can use **GoNoodle at home** to...

- energize your kids before school
- stop the squirmies to help them focus on homework
- keep kids actively and safely engaged as you prepare dinner
- calm down before bedtime
- exercise your whole family... together!
