## Mr. Lewis' Weekly Round-Up....

Happy Friday to everyone! We have finished another great week of school. As I stated at our parent orientation meetings, this year's school focus is on health and safety. September will serve as our School Safety Month and will be comprised of one safety drill per week. We will do a lockdown, reverse evacuation (coming in quickly from the playground), tornado, and fire. We do fire drills monthly and tornado drills four times per year as mandated by the state. All of these will be done in a manner so as to not frighten the students, yet add a dimension of preparedness should the unthinkable happen. Our entire staff will also participate this week in a crisis response training provided by Conway Police Department. I know that the number one expectation that you have of me is to make this school safe for our students, parents and staff.

Have a great weekend,

Mark Lewis
