Mr. Lewis' Weekly Round-Up....

We are cruising right along this semester, and with any luck we can avoid missing any more days due to inclement weather. Remember that we will be in school on President's Day and Good Friday to make the days up that have already been missed.

Please join me in congratulating Ellen Smith Elementary for joining us as being recognized as a National Blue Ribbon School of Excellence. You know how prestigious this award is, and the hard work and discipline that it takes to achieve it. It is also a true testimony to the high caliber district that Conway Public Schools is. We have nine phenomenal elementary schools in this district, so to be chosen among them is an honor within itself.

Have a great weekend!

Mark Lewis

Help us build a Make-A-Wish Snowman

We are building a snowman in the entry way hall and need your help. For 50 cents your child will buy a snowball cutout. Mrs. Gresham will put their name on the snowball and build the "giant" snowman with the donations.

Please have your child bring change or cash only to Mrs. Gresham's classroom so she will know whose name to write on the snowball. The Make-A-Wish Wish-A-Thon is February 21st. We will collect money to build the snowman until Wednesday, February 19th.

If you have questions or concerns please email Mrs. Gresham at: greshams@conwayschools.net.

Thank you for helping with this VERY worthy cause.

How to submit a picture you take with your phone to the yearbook

1. Open the Jim Stone App on your phone.
2. Find "Submit Photos."
3. Click on "Choose Photo."
4. Click on "Choose From Library."
5. Click on the photos you want to submit and click "done."
6. Click "send."
7. An email will pop up to Mrs. Bentley. Click "send."

1. In your browser window go to: <http://sw.balfour.com>
2. Enter the prompted information:

Project number: 417046

Password:2013jse

How to submit a digital photo to the yearbook

3. Once Studio Works opens, select the Content icon located at the top of the window.
4. On the left is the Galleries/Filter section. On the right are the Thumbnails/List views.
 - * Select the Galleries tab
 - * Select the my content tab and then the gallery that matches closest to your photos. Classroom photos are by grade. (Click on the arrow to expand it.)
 - * Select the Thumbnails tab not the list tab.
5. Leaving the Studio Works window open,
 - * Navigate to where your photos are stored. (Hard drive, Pen Drive, CD, etc...)
 - * Rename your image to include the event in which the image was taken and the grade of the student. This is very important because if it does not make the actual event page, it will be placed in other sections by grade.
 - * Minimize the active window to where it overlays the Studio Works Window. *You should be able to view both windows at this time.
 - * Select the image(s) you desire to upload to Studio Works.
 - * Drag the highlighted files to the Thumbnails section of Studio Works
- *The Parent account will not allow for deletes or edits once the images are moved. Once the upload is complete, hit the refresh button to see if your photos have been uploaded. It is two green arrows that form a circle on the top right side of the screen.
6. Complete by logging out and sending an email to me at Tonyaleighl@yahoo.com. This will allow me to confirm the upload is completed and which folders have new pictures. The software will not accept photos taken with iPhones unless they are uploaded at the highest resolution possible, so it is better to use a digital camera!
