Mr. Lewis' Weekly Round-Up....

Happy Friday to everyone! What a phenomenal performance this last Monday by our Kindergarten, First and Second Grade Students. Mrs. McCoy again brought out all of the creativity in our students. Thanks for all of your hard work!

A good suggestion has been brought to me in regard to our headphones in the computer lab. Earbuds, such as those that come with Apple Devices (iPod, iPhone, and iPads) are compatible with our headphone jacks in the lab. If you would be interested in your child bringing his/her own, then please be in contact with the classroom teacher to find out how to best manage this. Unfortunately, even if you do allow your child to bring Earbuds, the school can/will not be responsible for lost items. Certain grades may not be able to at this point in the year.

I truly appreciate the assistance you have provided in helping us to get off to a great start with traffic. Below are some reminders for everyone in hopes we can get 100% compliance for the safety of our students, parents and staff:

- Follow all traffic signs and rules in the JSE Parent Guide.
- Do not park and walk to get your child unless arrangements have been made through building administration.
- If you have a child coming from another campus to meet your JSE Student, please make arrangements for pick-up at the north end parking lot through building administration.
- **Never drop off in the thru lane (no exceptions).**

Have a great weekend!

Mark Lewis
